Local kids need our help!  
**BEST**  
**Benevolent Educational Study and Tutoring**

BEST is a new program sponsored by the Raymond Elks Lodge #1292 via ENF Promise Grant to help students learn study habits and to tutor specific subjects. We are looking for volunteers that can dedicate one or more days a week at the schools from 3:00 to 5:00 pm. We plan to coordinate study groups, teach good study habits and increase a student's ability to retain what they are being taught, and provide individual or group tutoring for specific subjects.

How can you help? Be part of the pilot program. Spend one day a week with a child.

Call Kelly Habersetzer @ 942-7575 for more info or to see how you can help! Thank you!
